## NOTES

Welcome to the 2024 Golf Season, which we trust will be an enjoyable and rewarding experience for all members of the Red Cliffs Golf Club.

We would ask that all members respect the rights and enjoyment of others when using the course and associated facilities and that they familiarize themselves with the procedures of Golf Etiquette and Rules of Golf. Rulebooks are free and available at the Clubhouse.

In particular, we would like to emphasize the following points.

1. Do not play a stroke until it is safe to do so.
2. No one should move, talk or stand close to or directly behind the ball or hole while a player is playing a stroke.
3. Players should play without delay. Ready golf is encouraged.
4. When searching for a ball, call the group behind you through as soon as it becomes apparent that the ball will not be easily found- **do not search for three minutes before doing so.**
5. When a hole has been completed, leave the green immediately and mark cards at the next tee. One player should hit-off before marking his/her card.
6. Repair all pitch marks on green and fill fairway divots.

Members please note that Course Maintenance Staff have right of way at all times.

Every Golfer holds a position of trust- it is your duty not only to play, but to see that your partner and opponents play strictly in accordance with the Rules of Golf and the Local Rules of the Club. **After completion of the round and before you put your equipment away, please enter your scores in the computer, making sure your card is signed and correct and has your handicap on it.**

The Match Committee shall decide the time a competition shall close and decide the manner in which all ties will be determined. All disputes regarding scores must be settled with the Match Committee prior to handing in the card. The Extreme Heat Policy comes into effect where the forecast temperature is 40 degrees or above. No competition play to commence after 9:30am.

### ***Lone Ranger***

*On each hole, one player in each threesome is designated the "Lone Ranger." That designation rotates throughout the round; for example, Player A has it on the first hole, B on the second, C on the third, then back to A on the fourth and so on. In Lone Ranger, two scores per hole are added together for the team score.*

*One of those two scores must be from the Lone Ranger. So on each hole, the team score will be the score of the player designated the Lone Ranger, plus the best score of the other two players on the*

*team. Stableford scoring is used.*
