## MEMBERS GOLF NOTES- 2017

Welcome to the 2017 Golf Season, which we trust will be an enjoyable and rewarding experience for all members of the Red Cliffs Golf Club.

We would ask that all members respect the rights and enjoyment of others when using the course and associated facilities and that they familiarize themselves with the procedures of Golf Etiquette and Rules of Golf.

(Rule Books are free and available at the Clubhouse)

In particular, we would like to emphasize the following points.

1. Do not play a stroke until it is safe to do so.
2. No one should move, talk or stand close to or directly behind the ball or hole while a player is playing a stroke.
3. Players should play without delay.
4. When searching for a ball, call the group behind you through as soon as it becomes apparent that the ball will not be easily found- **do not search for five minutes before doing so.**
5. When a hole has been completed, leave the green immediately and mark cards at the next tee. Player with the honour should hit-off before marking his card.
6. Repair all pitch marks on green and fill fairway divots.

Members please note that Course Maintenance Staff have right of way at all times.

Every Golfer holds a position of trust- it is your duty not only to play, but see that your partner and opponents play strictly in accordance with the Rules of Golf and the Local Rules of the Club. Before you hit off, please ensure that you have entered the competition by registering and PAYING the necessary fee. **After completion of the round and before you put your gear away, please enter your scores in the computer, making sure your card is signed and correct.**

The Match Committee shall decide the time a competition shall close and decide the manner in which all ties will be determined. All disputes regarding scores must be settled with the Match Committee prior to handing in the card.
