## NOTES

Welcome to the 2023 Golf Season, which we trust will be an enjoyable and rewarding experience for all members of the Red Cliffs Golf Club. We would ask that all members respect the rights and enjoyment of others when using the course and associated facilities and that they familiarize themselves with the procedures of Golf Etiquette and Rules of Golf. Rulebooks are free and available at the Clubhouse.

In particular, we would like to emphasize the following points:

- Do not play a stroke until it is safe to do so
- No one should move, talk or stand close to or directly behind the ball or hole while a player is playing a stroke
- Players should play without delay. Ready golf is encouraged
- When searching for a ball, call the group behind you through as soon as it becomes apparent that the ball will not be easily found- **do not search for three minutes before doing so**
- When a hole has been completed, leave the green immediately and mark cards at the next tee. One player should hit-off before marking his/her card
- Repair all pitch marks on green and fill fairway divots.

Members please note that Course Maintenance Staff have right of way at all times.

Every Golfer holds a position of trust- it is your duty not only to play, but to see that your partner and opponents play strictly in accordance with the Rules of Golf and the Local Rules of the Club.

**After completion of the round and before you put your equipment away, please enter your scores in the computer, making sure your card is signed and correct and has your handicap on it.**

The Match Committee shall decide the time a competition shall close and decide the manner in which all ties will be determined. All disputes regarding scores must be settled with the Match Committee prior to handing in the card. The Extreme Heat Policy comes into effect where the forecast temperature is 40 degrees or above. No competition play to commence after 9:30am.

## LOCAL RULES (OCTOBER 2023)

**Out of Bounds: Car park, club house, cart sheds, buggy room and BBQ defined as *out of bounds*:** Anywhere beyond posts/poles marked OOB identifying the boundary of the fairway being played from the car park, club house, cart sheds, buggy room and barbecue area is *out of bounds*.

**Any ground works, burn off sights, sand piles, wheel marks, cracks in ground, holes made by *burrowing animals/birds and active ants nest or dangerous animals in the general area*:** If a player's ball lies in the area, or if it interferes with the player's stance or the area of his intended swing, the player may take relief, without penalty, under Rule 16-1. You take relief by dropping a ball in a relief area based on the nearest point of complete relief.

**Greens: Bare patches, bird damage, kikuyu and renewed/transplanted patches on greens:** If a player's ball on the *putting green lies in the area or if it intervenes on his line of putt*, the player may take relief by placing the ball, without penalty, under Rule 16-1d.

**Bare patches on a closely mown area (defined fairway), in the general area:** If, (on the hole being played), a player's ball lies in a bare patch on a closely mown area, the player may take relief, without penalty, under Rule 16-1. Bare patch is defined as... "dirt only, no grass and not a filled-in divot"

**Garden Beds:** These have been declared *no play zones* from which play is prohibited. If a player's ball lies in the area, or if it interferes with the player's stance or the area of his intended swing, the player **must** take relief, without penalty, under rule 16-1f.

**Spray Heads, Control Boxes, Pop up Sprinklers and irrigation equipment:** are immovable obstructions and declared *no play zones*: If a player's ball lies in the area, or if it interferes with the player's stance or the area of his intended swing, the player **must** take relief, without penalty, under Rule 16-1f.

**Staked trees and shrubs:** (*No play zones*) If such a tree or shrub interferes with a player's stance or the area of his intended swing, the ball **must** be lifted, without penalty, and dropped in accordance with the procedure prescribed in rule 16-1f. *A plant must be STAKED to obtain free relief.*

**Constructed pathways, bitumen road on 9<sup>th</sup> fairway and stage beside 18<sup>th</sup> green:** If a player's ball lies in the area, or if it interferes with the player's stance or the area of his intended swing, the player may take relief, without penalty, under rule 16-1.

**Penalty areas adjacent to 9<sup>th</sup> green and behind the 10<sup>th</sup> green:** If a player's ball lies in or it is known or virtually certain that a ball that has not been found is in the penalty area, the player may proceed under rule 17, or as an additional option, drop a ball within a club length of the closest dropping stake, under penalty of one stroke.

**Footgolf equipment:** is to be treated as abnormal course conditions under Rule 16-1. Interference occurs when a ball lies in or around the obstruction, or when the obstruction interferes with the player's stance or the area of his intended swing. The player may take free relief by dropping a ball in the relief area. 16.1b.

If the flag is deemed to be in the intended flight path of a player's ball, the obstruction/flag maybe removed if is practical to do so. (under rule 15.2a) The flag must be replaced.

If a ball strikes Footgolf equipment the player must play the ball as it lies in accordance with rule 9.1a.
